BY COMMISSIONER DIANNE SOLOMON:

BACKGROUND

On March 1, 2018, Atlantic City Electric Company ("ACE" or "Company") filed a petition ("IIP Petition") with the New Jersey Board of Public Utilities ("Board") requesting approval of an Infrastructure Investment Program ("IIP") pursuant to N.J.A.C. 14:3-2A.1 *et seq.* ("IIP Regulations") and a related accelerated cost recovery mechanism. Effective January 16, 2018, the Board implemented the IIP regulations to facilitate infrastructure investment by permitting a utility to "obtain accelerated recovery of qualifying investments." N.J.A.C 14:3-2A.1(a) and (b). Eligible projects under the IIP must be related to safety, reliability or resiliency, may not be revenue producing and may only be requested for infrastructure expenditures over the annual baseline spend.

By Order dated March 26, 2018, the Board retained the IIP Petition for hearing and, pursuant to N.J.S.A. 48:2-32, designated the undersigned as the presiding officer authorized to rule on all motions that arise during the pendency of these proceedings, and modify any schedules that may be set as necessary to secure a just and expeditious determination of the issues. Further, the Board Order directed that any entities seeking to intervene or participate in this matter file the appropriate application with the Board by April 13, 2018.

By Order ("Prehearing Order") dated June 6, 2018, Commissioner Solomon issued a Prehearing Order in this matter, which also set forth the procedural schedule. The Prehearing Order also granted participant status to Jersey Central Power and Light Company and Public Service Electric and Gas Company. On November 21, 2018, the Commissioner issued an Order,

modifying the procedural schedule.

Following discussions, the parties agreed to new hearing dates. Hearings will commence at 10:00 AM on each hearing date unless the parties are otherwise notified. Accordingly, I **HEREBY ISSUE** the following as the Amended Procedural Schedule identified as Exhibit A, and **HEREBY DIRECT** the parties to comply with its terms.
