## **NOTICE<sup>1</sup>**

**In the Matter of the Re-adoption by Notice of New Jersey Administrative Code  
("N.J.A.C.") 14:2 "Underground Facilities: One Call Damage Prevention System"  
Docket No. AX18020155**

### **Stakeholder Meeting – September 7, 2018**

The Staff of the Board of Public Utilities (Board) invites all interested parties and members of the public to a stakeholder meeting to discuss the re-adoption of the Board's rules, entitled "Underground Facilities: One-Call Damage Prevention System" as set forth in N.J.A.C. 14:2.

Board Staff is charged with working alongside stakeholders to review and propose changes to these rules outlined in Chapter 2. As part of this process, a number of issues will be analyzed, including, but not limited to, operator responsibilities, excavator responsibilities and other best practices that will not only assist in the protection of underground facilities, but will also promote the safety of our community. This meeting is a follow up meeting to the March 22, 2018 and May 21, 2018 stakeholder meetings in which multiple issues were brought up by the participating stakeholders.

For this specific stakeholder meeting, issues pertaining to the following will be discussed:

- N.J.A.C. 14:2-3.1 Notice of intent to excavate – timing;
- N.J.A.C. 14:2-3.2 Notice of intent to excavate – contents, perimeter marking;
- N.J.A.C. 14:2-3.3 Excavators – onsite requirements;
- N.J.A.C. 14:2-3.4 Responsible contractors;
- N.J.A.C. 14:2-3.5 Excavation or demolition in response to an emergency; and
- N.J.A.C. 14:2-3.6 Excavators – incident and damage reporting.

Along with this notice, Board Staff will notify previous participants and potential participants about this stakeholder process on the Board's website at <http://www.nj.gov/bpu/>.
