NOTICE¹

**In the Matter of the Re-adoption by Notice of New Jersey Administrative Code
("N.J.A.C.") 14:2 "Protection of Underground Facilities: One Call Damage
Prevention System"
Docket No. AX18020155**

Stakeholder Meeting – March 22, 2018

The Staff of the Board of Public Utilities (BPU) invites all interested parties and members of the Public to a stakeholders' meeting to discuss the re-adoption of the Board's underground facilities: One-Call damage prevention system as outlined in N.J.A.C. 14:2.

Staff is charged with working alongside stakeholders to review and propose changes to the rules outlined in Chapter 2. As part of this process, a number of issues will be analyzed including but not limited to operator responsibilities, excavator responsibilities, and other best practices that will help protect underground facilities and promote the safety in our community.

Along with this notice BPU Staff will be notifying previous participants about this stakeholder process and alerting potential participants via the official BPU website <http://www.nj.gov/bpu>.

Questions should be directed to Phil Galka in the Division of Reliability and Security via email at Phillip.Galka@bpu.nj.gov.
