**Parties of Record:**

**Luisa Hernandez and Maritza Montanez**, appearing *pro se*  
**Sheree L. Kelly, Esq.**, on behalf of Respondent, Public Service Electric and Gas Company

BY THE BOARD: <sup>1</sup>

On March 31, 2014, Luisa Hernandez and Maritza Montanez (collectively "Petitioners"), filed a petition with the Board of Public Utilities ("Board") requesting a formal hearing related to a billing dispute with Public Service Electric and Gas Company ("Respondent") for utility services rendered by Respondent.

After the filing of Respondent's answer, the Board transmitted this matter to the Office of Administrative Law ("OAL") for hearing and initial disposition as a contested case pursuant to N.J.S.A. 52:14B-1 et seq. and N.J.S.A. 52:14F-1 et seq. This matter was initially assigned to Administrative Law Judge ("ALJ") Mumtaz Bari-Brown, but was reassigned to ALJ Tiffany M. Williams on April 1, 2015.

While this matter was pending at the OAL, the parties engaged in negotiations and entered into and signed a Stipulation of Settlement ("Settlement") that was submitted to the ALJ. By Initial Decision issued on June 25, 2015, and submitted to the Board on June 29, 2015, to which the Settlement was attached and made part thereof, ALJ Williams noted that the Settlement was voluntary, that its terms fully disposed of all issues in controversy, and that it satisfied the requirements of N.J.A.C. 1:1-19.1. Pursuant to the terms of the Settlement, and in order to fully

resolve this matter, the parties have agreed that Respondent will credit Petitioner's account ending in 03105, at the property located at 300-2 State Route, in the amount of \$8,410.29. Respondent also agreed to test the meter at the subject property and Petitioner, pursuant to the Board's policy, will request that a member of the Board's Staff witness the test.

The bill will now reflect Petitioners capacity and transmission charges based upon Petitioners historic usage and not on prior tenants. It was also agreed that to the extent that there is a negative entry on Petitioners credit history, Respondent will cooperate to have it removed.

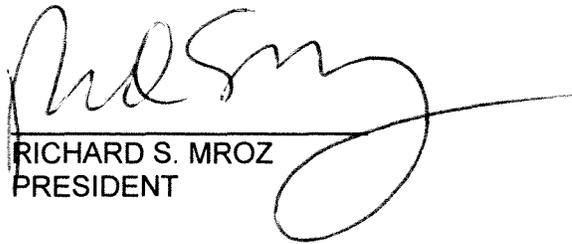

After review of the record and the Settlement signed by the parties, the Board **HEREBY FINDS** that the parties have voluntarily agreed to the Settlement as evidenced by their signatures and that by the terms of the Settlement have fully resolved all outstanding contested issues in this matter.

Accordingly, the Board **HEREBY ADOPTS** the Initial Decision and the Stipulation of Settlement executed by the parties in their entirety as if fully set forth herein.

The effective date of this Order shall be August 1, 2015.
