Parties of Record:

Deborah Franco, Esq., SJI Utilities, on behalf of South Jersey Gas Company, Petitioner
Stefanie A. Brand, Esq., Director, Division of Rate Counsel

BY THE BOARD:

On March 13, 2020, pursuant to N.J.S.A. 48:2-21 and N.J.A.C. 14:1-5.12, South Jersey Gas Company ("Company" or "SJG"), a public utility of the State of New Jersey subject to the jurisdiction of the New Jersey Board of Public Utilities ("Board"), filed a petition for approval of an increase in its operating revenues of approximately \$75.3 million, or 12.2%, to be effective for gas service provided on or after April 13, 2020. The Company also sought Board approval to implement new depreciation rates and to make revisions to certain terms and conditions of its existing tariff. The Company's petition requested a 10.4% return on equity.

According to the petition, the primary reasons for the requested increase is the need to earn a fair return on capital investments and projects made since the filing of the Company's last base rate case in 2017 so the Company can continue to attract capital at reasonable rates, and invest in the infrastructure necessary to provide safe and reliable service.

The Company also sought authority to establish regulatory assets related to the following: 1) incremental costs associated with a pipeline integrity management program incurred in between rate cases; 2) increased costs for the Company's Transmission Integrity Management Program, costs incurred in connection with the development of a cancelled pipeline project; and the Company's Early Retirement Incentive Program offered to employees in 2018-2019

It appearing that the proposed revisions, if approved, will increase existing rates and change or alter existing classifications in SJG’s tariff, it is **HEREBY ORDERED** that:

- (1) Pursuant to N.J.S.A. 48:2-21 (d), the proposed revisions are suspended until August 13, 2020, unless prior to that date the Board makes a determination disposing of the petition or enters an Order further suspending the proposed revisions;
- (2) SJG shall, at least 10 days prior to the date set for hearing on the petition by the Office of Administrative Law, file with this Board and with the Office of Administrative Law, proof of compliance with the notice provisions of N.J.S.A. 48:2-32.2 and N.J.A.C. 14:1-5.12 (b) and (c), which notice shall include a statement that any relief found by the Board to be just and reasonable may be allocated by the Board to any class or classes of customers on any rate or schedule as the Board may determine; and
- (3) SJG shall, at the same time it files with the Board, also file proof of service of copies of this Order upon the Office of Administrative Law, Division of Rate Counsel, the clerks of each affected municipality, the clerks of the Boards of Chosen Freeholders of each affected County, and where appropriate, the executive officer of each affected County within its service area. Service of the petition, notice of hearings and this Suspension Order may be made simultaneously.

This Order shall be effective on April 16, 2020.
