

**NOTICE  
TO CUSTOMERS OF  
ATLANTIC CITY ELECTRIC COMPANY**

**In the Matter of the Petition of Atlantic City Electric Company to Reconcile  
and Update the Level of Its Non-Utility Generation Charge and Its Societal  
Benefits Charge (2023)  
BPU Docket No. ER23020057**

**PLEASE TAKE NOTICE** that, on or about February 1, 2023, Atlantic City Electric Company (“ACE” or the “Company”) filed a Petition (the “Petition”) with the New Jersey Board of Public Utilities (the “Board” or “BPU”) to reconcile, update, and approve proposed changes to the Company’s Non-Utility Generation Charge (“NGC”) and Societal Benefits Charge (“SBC”). ACE’s NGC provides for recovery of the above-market portion of payments made under the Company’s now restructured non-utility generation (“NUG”) contracts and certain costs associated with such commitments. ACE’s SBC was established by the Board pursuant to the Electric Discount and Energy Competition Act, N.J.S.A. 48:3-49 et seq., to recover costs related to the Universal Service Fund and Lifeline social programs, the Board’s Clean Energy Program (“CEP”), and the Company’s Uncollectible Accounts Charges (“UNC”).

As filed, the Petition proposed to reset the NGC for the period June 1, 2023 through May 31, 2024, based upon a projected deferred balance on March 31, 2023, inclusive of projected customer revenue through May 31, 2023, and associated NUG contract restructuring payments for the period April 1, 2023 through March 31, 2024. The Company has also proposed to modify specific cost components of the SBC by adjusting the UNC and CEP components of the SBC based upon projected deferred balances as of March 31, 2023, inclusive of projected customer revenue through May 31, 2023, and the projected expenses for the period April 1, 2023 through March 31, 2024.

As set forth in the Stipulation of Settlement and confirmed by Order of the Board issued in connection with BPU Docket No. ER20010088, the Company has provided periodic formal updates to the Board, Board Staff, and the New Jersey Division of Rate Counsel (“Rate Counsel”) with respect to the balances in the NGC and SBC. The Company’s latest quarterly report, which highlighted the deferred balances as of March 31, 2023, inclusive of projected customer revenue through May 31, 2023, was submitted on or about January 31, 2023.

The NGC component is based on the schedule of annual contract restructuring payments as determined by the Board’s Restructuring Order dated March 23, 2022 in Docket No. EM21121253 for the period ending March 31, 2023 and continuing through March 31, 2024. The effect of the change in the NGC component for this period results in a \$4.944 million decrease to be returned to customers over the period June 1, 2023 through May 31, 2024.

The UNC component is based on actual expenditures through March 31, 2023 and projected data through March 31, 2024. Also included in the UNC component is the commencement of a partial recovery of deferred uncollectible expenses associated with the recently concluded COVID-19 Pandemic, which the Company proposes to recover over a three-year period. The effect of the change in the UNC component for this period results in an increase of \$7.431 million to be recovered over the period June 1, 2023 through May 31, 2024. The Board has not made a final determination regarding the allowable amount of recoverable arrearages and recovery mechanism in the pending COVID-19 Arrearage Proceedings.

The Company’s Petition also included ACE’s proposed adjustments to the CEP component of the SBC based upon actual expenditures as of March 31, 2023, and projected data through March 31, 2024. The effect of the change in the CEP component for this period results in an increase of \$1.797 million to be recovered over the period June 1, 2023 through May 31, 2024.

The net effect of all proposed changes to the NGC and SBC charges is an annual increase of \$4.284 million.

The following table demonstrates the Company’s proposed rates based upon actual data as of March 31, 2023, and forecasted data through March 2024:

<b>Rate Schedule</b>	<b>NGC</b>	<b>SBC (CEP &amp; UNC)</b>

The resolution of this Petition and the reconciliation of these accounts will not result in any profit to the Company.

The percentage increases noted above are based upon a comparison with current rates. Any final rate adjustments found by the Board to be just and reasonable may be modified and/or allocated

by the Board in accordance with the provisions of *N.J.S.A.* 48:3-4, and for other good and legally sufficient reasons, to any class or classes of customers of the Company. Therefore, the rates set out above may increase or decrease based upon the Board’s decision.
